REMARKS/ARGUMENTS

Claims 1-7 and 11-20 are pending in the application.

Claims 1-7 are pending in the application. Claims 8-10 have been cancelled.

Applicants appreciate Examiner's acknowledgement of allowable subject matter in claims 17-18.

Claims 17-18 have been amended in response to Examiner's observations.

Claims 1, 5, 6, 11-16 have been cancelled. New claim 21 has been added.

Claims 19-20 have been amended to depend upon now allowable independent claim 17. With respect to the objection, the Specification cites metes and bounds of the claim which "is disclosed in non-prepublished application with number EP00203298.5" and further within the art, there is sufficient basis to derive the particular antenna structure required for a given carrier configuration. Applicant believe that these objections should be withdrawn.

In that the claims rejected have been cancelled or amended, Applicant requests withdrawal of the rejections.

Conclusion
